GROUNDBREAKING NEWS!
NEW EARLIER START TIME!
 Registration opens at 6:45 am

Symposium is jointly provided with Henry Ford Health System Nursing Development

Luncheon

Lunch will be served plated in the Garden Gallery located near the Grande Ballroom.

Purpose

To assist participants to gain a deeper understanding of renal disease.

Highlights

- Discuss a culture of safety, how it impacts patient care and communication techniques that support safety in the dialysis care setting.
Identify strategies for end of life discussions with patients with chronic kidney disease.
Define the impact that pay for value has on safety net providers.
Understand the best practice of fluid management in the dialysis patient.
State the consequences of progressive deterioration in bone and mineral homeostasis in the CKD population.
Gain an increased understanding of patient/care partner experience with home dialysis.
